China-U.S. Chamber of Commerce, as a non-profit organization, is one of the most active and influential international chambers of commerce in the United States. The President of the United States Asia Pacific Advisory Committee, Chinese Ministry of Commerce, and Ambassador to the United States consulate in the ministry of commerce have endorsed the establishment of China-U.S. Chamber of Commerce. The mission of China-U.S. Chamber of Commerce is to advance the harmonious economic development of both China and the United States. The China-U.S. Chamber of Commerce also plans to follow this mission by utilizing the impact of powerful leadership in both societies and the economic strength brought by the many successful membership enterprises. The China-U.S. Chamber of Commerce has established close working relationships with several top 500 companies, United State Congress, financial institutes, well-known Chinese enterprises, and listed companies

The primary goal of China-U.S. Chamber of Commerce is to target New York City as the center, China as the main market, and utilize China-U.S. as the solid foundation to radiate the world. Small and medium-sized companies hold a large number and stand the brink of competition and survival, which are easily to be influenced by international and domestic investment environment change. Thus, small and medium-sized companies also gradually realize that increasing the self-management and standardizing business procedures is the key of increasing competition and living condition. The China-U.S. Chamber of Commerce is also dedicated to hoping more and more small and medium-sized companies would benefit from dramatic changes brought by valued services offered in the chamber. Therefore, China-U.S. Chamber is sincerely and actively recruiting strategic partners worldwide. Welcome to visit and join China-U.S. Chamber of Commerce!
